Fun! Flea Market

This one-of-a-kind, first-time-ever, collaborative event was a huge success. Thanks in part to your effort!

- an estimated 4,000+ people attended
- over 1300 books were given out to kids
- over 1500 swag bags were given out
- over 1770 rides on carousel
- most vendors ran out of material to share with the public

There were limited problems due to great planning and cooperation by all and an overwhelming response from attendees saying they'll be back next year.

The event recap, survey results, financial review, and photos will be placed on the FamilydayCdA.com website soon.

PLEASE visit <https://www.surveymonkey.com/r/Y77GSP7> and reply with your comments so your input will continue to be included.

See you next year! *Kiki & Shelly*
