Local Scholarships - Cops & Doctors & Architects, Oh My!

The Coeur d'Alene Chamber of Commerce held its annual "Scholars Breakfast" in April, celebrating the top students from the five area high schools.

Three \$1,000 scholarships, provided by Spokane Teachers Credit Union, North Idaho Consortium for Higher Education (NIHE) and Coleman Engineering, were awarded.

Nineteen students competed for the scholarships through an application process requiring a written essay about their plans for the future, grade point standing, references, and a resume.

The 2018 recipients were Zackary Bullock and Abbigail Shrontz from Coeur d'Alene High School, and Maya Zollman from Coeur d'Alene Charter Academy.

The fields of study the scholarship winners plan to pursue is diverse: Architectural Engineering (Bullock), Biomedical Engineering & Pre-Med (Shrontz), and Law Enforcement (Zollman).

There are approximately 50 LOCAL scholarships available annually to North Idaho graduates funded by civic groups, businesses, and other institutions that are (typically) awarded to students who plan to attend North Idaho colleges. As with the Coeur d'Alene Chamber Scholarship opportunity, oftentimes GPA is only ONE factor in the decision-making process.

From left: Lita Burns, North Idaho College vice president for instruction; Abbigail Shrontz, Coeur d'Alene High School; Sherry Wallis, STCU community development officer; Maya Zollman, Coeur d'Alene Charter Academy; Zackary Bullock, Coeur d'Alene High School; and Jim Coleman, owner of Coleman Engineering.

If you are a student (or parent of a student) in North Idaho, visit edinfocentercda.com/Pay-for-School/North-Idaho-Scholarships to view local & regional scholarships, as well as helpful tips, links, and information about "all things education."

It's All About Those Books ...

It is an amazing time in North Idaho in that one of the most important factors for future success in life is being addressed by multiple organizations: LITERACY.

The **Shirley Parker Reading Program** was established in 2002 by the North Idaho College wrestling program in partnership with Parker Toyota in honor of Doug Parker's late wife, Shirley, who was a supporter of both wrestling and reading. Pictured is NIC wrestler Hasaan Hawthorne reading to a group of

students at Fernan Elementary recently. **The team has donated 18,000 books to local schools.**

Each week during the season, NIC wrestlers and coaches visit a local elementary school to read to the first-graders. The children are encouraged to take their book home to continue practicing their reading skills in addition to receiving a bookmark and poster of the wrestling team.

Throughout the year, there are multiple ways for families to access books at no charge.

FIND BOOKS HERE:

- United Way of North Idaho held their annual book drive in May ... Distribution at multiple locations and by request.
- CDA Library and the Community Library Network have multiple programs plus access to books.

AREA LIBRARIES (BOOKS, of course, but also amazing programs):

Operation Second Chance - Helping Heroes Move On

As part of a long standing organization, Operation Second Chance - Idaho is being introduced locally beginning this summer. Operation Second Chance, Inc. is a 501(c)3 organization, dedicated to helping our wounded, injured and ill combat veterans. This organization was started in 2004 and has continued to thrive through generous donations of all kinds.

This summer, a group of volunteers from Idaho will be planning and executing a 5-day all expenses paid retreat for (4) wounded active duty or otherwise, military personnel and their caregivers. This retreat will offer a break from the daily struggles these veterans face because of hospital visits, therapies and surgeries. Events at this summer's retreat will include horseback riding, fishing, zip lining, ATV trail riding, dinners and shopping in Coeur d' Alene, to name a few.

As we celebrate 14 years of service and with your support, together we will continue to change lives, one hero at a time. Though the wars are winding down, we are reminded daily that our veterans face a lifetime of recovery and will continue to need support. We ask that you consider donating to this and future retreats, to assist in our effort to give back to our veterans.

Any donation of any kind is appreciated and we thank you for all you can do. Please make any monetary donation to: Operation Second Chance (Please write "Idaho" in memo) - P.O. Box 473m Bayview, ID 83803

FEATURED RECIPE

Flipflop Sandal Cookies

You need:

- Oval-shaped cookies
- Frosting
- Sour gummy worms
- Rope licorice
- Gummy candy

Instructions:

Frost two oval-shaped cookies or dab frosting on each cookie where the "straps" will be attached.

For wide straps, snip the rounded ends from a gummy worm, cut it in half, and slice each half lengthwise, leaving one end intact. For thin straps, cut rope licorice into four 1-3/4 pieces, cut one end of each piece on an angle, and pinch together the pointed ends to form two pairs.

Press the straps, connected ends first, into the frosting. Use more frosting to add gummy candy jewels. Let the cookies set for 20 minutes. Serve on a dish towel or tray spread with a beach of graham cracker crumbs.

Bank On!

Bank On North Idaho is a new program to connect unbanked and underbanked North Idaho residents with mainstream financial services such as affordable checking products as well as free, community-based financial education opportunities. Through these pathways, the long-term outcomes are that participants have:

- Reduced levels of debt
- Increased credit scores
- Emergency savings that will cover three months of expenses
- Achieved financial goals
- Build assets and increase net worth
- Increased levels of financial well-being

STEPS OF
**MONEY
CENT\$**

By Andrew Applehans

PLAN

Think about what you might want to buy. I like to work with wood, tools, and build things. I started to build a Lemonade stand. Before I started I needed to buy some materials, so I got them, and later got close to finishing it.

EARN

Think about the skills you have and ways you can earn money using that skill such as selling lemonade, building, baking, mowing lawns, extra chores around the house, etc. I was given an old projector. I fixed it up with my dad and sold it. I think that was a good way to earn money.

SAVE

Some things are worth waiting for that can be cheaper other places. You can separate wants from needs. I'd like an RC car but I need gas/parts for the lawn mower that I use to earn money. I put some of my money in a box for safe keeping. When I get paid a lot of money I put a percentage of money in my checking account and my savings account for long term goals. Example: short term RC car, long term college.

SPEND

If you want things to be a little bit cheaper look at yard sales, garage sales, Craigslist and so on. We recently went to Disneyland. I waited to buy a souvenir and went to Walmart and got the same thing that I could have gotten at the park and saved more than twice the price.

It is never too early to have a plan and start saving. If you set good habits you could achieve your goals because you have control of your money. I hope these tips helped you.

Free Grief Camp for Kids and Teens

Children and teens profoundly experience grief when they experience the loss of a loved one. Thankfully, from July 13 to 15, North Idaho kids and teens will have a chance to gather together and know they are not alone.

Hospice of North Idaho offers this free summer camp to help children move forward in life among grief, and enjoy summer camp together; just as kids should. Kaylee Kron, LMSW Bereavement Coordinator, orchestrates activities to help campers process grief in a safe and supportive environment. "We teach teamwork, problem solving, and self-advocacy; skills that kids can use every day," explains Kaylee. "Kids are successful when they have the tools that support their resilience."

Camp Kaniku is the only camp of its kind in the inland northwest. Campers are matched with their age groups and bunk in cabins at Camp Lutherhaven. There, camp counselors lead age-specific activities such as swimming, hiking, and letter-writing. Campers also participate in a beautiful, late-night, luminary lighting on the shore of Coeur d'Alene Lake.

Experiencing grief as a child will impact their life ahead of them. Oftentimes, kids grieve alone, not knowing other kids are grieving, too. Hospice of North Idaho provides groups, counseling sessions and Camp Kaniku to support the journey through grief. Services are offered at no-charge because of generous community donations. Sponsor a child's attendance, or register a child by June 15.

Join the (PoP)Club!

The Inland Northwest Food Network is pleased to announce that they will once again be offering the Power of Produce (PoP) Club this summer at the Hayden Farmers Market. The PoP Club - first held last summer - is a program that seeks to encourage children to make healthy food choices by empowering them to shop for, grow and prepare fresh fruits and vegetables.

Children between the ages of 5 - 12 are eligible to participate in the program free of charge. Upon registering, they will be given a reusable shopping bag and a PoP Club button. Each week, club members will receive a token worth \$2 to purchase a fresh fruit, vegetable or plant at participating farmer booths at the market. A PoP Club booth will offer interactive activities such as tastings, scavenger hunts, pedal-powered smoothies, seed planting, and more. The program will run June 2 - Sept 1, 2018

An Egg-citing Prospect!

Think you might want to own chickens? Now you can try out urban laying hens without a long term commitment!

Kip & Ei Farm's, "Rent The Chicken" provides the opportunity to have "farm fresh" eggs in your backyard. Each rental includes everything needed: a portable coop, at least two egg laying hens, feed for the rental season, and phone and web chat support.

Kip & Ei Farm is located in Otis Orchards, WA and consists of Erick & Jan with their two daughters. They are strong supporters of fresh food, close to home. Kip & Ei Farm only offers non-gmo, non-corn, non-soy, locally grown feed for their animals and for Rent the Chicken hens. They also sell farm fresh, free range chicken eggs. Their daughters like to say

"It's the only pet that poops your breakfast"!

Rent The Chicken was established near Pittsburgh, Pennsylvania, USA, by Phillip and Jenn Tompkins in 2013. Rent The Chicken has partnered with more than 45 farmers and homesteaders in the United States and locations in Canada that offer Rent The Chicken as an extension of their farm / homestead.

Kip & Ei Farm's "Rent the Chicken" operation services North Idaho and Eastern Washington. Call 724-305-0782 or visit www.RentTheChicken.com for more information.
