FEATURED RECIPE

Flipflop Sandal Cookies

You need:

- Oval-shaped cookies
- Frosting
- Sour gummy worms
- Rope licorice
- Gummy candy

Instructions:

Frost two oval-shaped cookies or dab frosting on each cookie where the "straps" will be attached.

For wide straps, snip the rounded ends from a gummy worm, cut it in half, and slice each half lengthwise, leaving one end intact. For thin straps, cut rope licorice into four 1-3/4 pieces, cut one end of each piece on an angle, and pinch together the pointed ends to form two pairs.

Press the straps, connected ends first, into the frosting. Use more frosting to add gummy candy jewels. Let the cookies set for 20 minutes. Serve on a dish towel or tray spread with a beach of graham cracker crumbs.

Rotary Gives Back

Annually, the Coeur d'Alene Rotary Club raises funds to support grants for local youth and civic organizations. A majority of these funds are from proceeds from the Club's annual Rose Sale and Coeur d'Irish fundraising events. Grant applications are available on the CdA Rotary website in early March.

At the May 21, 2021 Rotary Meeting, \$56,000 in grant funding was distributed to dozens of local nonprofits, including the North Idaho Family Group, North Idaho CASA, St. Vincent de Paul, the Salvation Army Kroc Center, CDAide, and many others.

Counterfeit Pills: HELP STOP the Pattern of Teenage Drug Overdoses

The Coeur d'Alene Police Department along with the Idaho State Police and other Local Law Enforcement Agencies have seen overdose cases amongst teenagers in the North Idaho Region believed to be connected to counterfeit prescription narcotic pills. It has been estimated that one in six of these pills contains a lethal dose of synthetic narcotic, fentanyl. It is believed that three deaths have been attributed to these cases since the fall of 2020 in North Idaho (and several more since this Press Release was issued in mid-May 2021).

While there is currently an ongoing investigation regarding the source of these counterfeit pills, the safety of the youth of the community is of greater concern. Our desire to locate the individuals responsible for these deaths and hold them accountable is secondary to our desire to prevent any further loss of life in our community from these lethal pills. We are requesting that parents talk to their children about the dangers these counterfeit pills pose.

One parent connected to a case stated, "These kids are playing Russian Roulette when they try these pills and don't even know they are holding a loaded gun."

Please help us put an end to the devastation these families experience by getting the word out and reporting any information you have to the police department.

Detectives are requesting if anyone has any information that would aid in this investigation, to please call the Coeur d'Alene Police Department at (208) 769-2320, or e-mail a tip to policetips@cdaid.org.
